

Ministry of Education Overseas Scholarship Candidate's Medical Declaration

Purpose: The object if the examination is to determine that the candidate is physically and mentally fit to undertake a course of study overseas where he/she will be subject to the additional stress of living and working in a different culture and environment. A medical condition or illness will not preclude the awarding of the scholarship, instead help to ensure the appropriate supports and accommodations are made to ensure the candidate's success in their studies.

l,	have provided all the necessary information to the doctor				
	Candidate's Name				
regarding my medical history for this examination. I have been truthful regarding any medical or					
mental concerns that I believe could at times impact my studies.					
l,	Print Doctor's Name have examined the candidate		_ and
